November 10 - 12, 2023
Messe Hamburg-Schnelsen

EXHIBIT | SELL | PRESENT | WIN CUSTOMERS

Last year's **BDSM & Fetish Fair Passion** in Hamburg with the highest attendance to date showed: Passion is firmly established as the largest BDSM and fetish scene meeting place in the north. The level of awareness in neighboring European countries is growing and the proportion of visitors from these countries in 2022 was stronger than ever before. The shopping experience with the high-quality exhibitors is the center of a successful concept for a lustful weekend break in Hamburg with exhibition, workshops, stage shows, parties and events.

Book now and present yourself in an appealing way

Successful sales are made at Passion - the rebooking of exhibitors from previous years is correspondingly high. A large part of the available space is already occupied by the rebookings. Therefore applies: Who would still like to be present as an exhibitor, should decide now fast. If you have any questions about participating in the trade fair, Anne will be happy to hear from you (mobile: 0170-4951603).
